Date: June 28, 2026

To,
The Training & Placement Directorate,
Partner Engineering & Science Colleges,
Hyderabad Region, Telangana, India.

Subject: Official Collaboration for Industry-Ready IT Training & Direct Placement Drive 2026-27

Dear Director / Placement Officer,

We are pleased to introduce Apex Tech Software Institute (ATSI) as Hyderabad's leading specialized technical training academy. Located in the IT hub of Kondapur, Hyderabad, ATSI provides world-class, project-oriented, and placement-driven educational programs in Advanced AWS & DevOps, SAP ERP Enterprise Core, Full-Stack Web Development, Data Science & AI, and Salesforce Administration. Our goal is to bridge the gap between academic theory and active industry requirements, transforming graduates into immediate, highly-productive assets for global IT firms.

Under this formal correspondence, we offer your final-year students special access to our comprehensive Technical Bootcamp, which features live lab infrastructure, direct expert mentorship, industry certification guidance, and mock interviews. Additionally, students registered through this collaborative framework are directly fast-tracked to our premium CRM recruitment pool, gaining unlimited interview schedules with our network of over 150+ actively hiring global tech partners.

Key Partnership Highlights & Outcomes:

- Curriculum designed, refined, and delivered exclusively by active Senior IT Professionals.
- Comprehensive hands-on labs with dedicated servers and real-world project portfolios.
- In-depth Resume Building, LinkedIn optimization, and 1-on-1 Interview Coaching.
- Direct on-campus placement drives and corporate hiring referrals with 100% assistance.

We look forward to hosting an on-campus seminar or interactive workspace session with your students to discuss future career growth and demonstrate our real-time cloud and SAP environments. Please feel free to connect with our institutional relations coordinator directly at +91 8977696937 or via email at corporate@apextechsoftwareinstitute.com to schedule a convenient date.

Thanking you and assuring you of our highest professional standards at all times.

For Apex Tech Software Institute,

Sai Charan Mamidi

Managing Director & Academic Dean
Apex Tech Software Institute, Hyderabad
